The Singers

The Singers performed their annual Advent Concert on Sunday afternoon December 2nd. We again had an overflow audience that enjoyed the concert and munched on German Christmas cookies after the concert thanks to the Culture Committee. This event was open to the public and friends and relatives were invited. A donation to the Needy Family Fund of \$547 was made thanks to contributions from the audience. This is our outreach to the public to show some of our German culture and traditions. We also performed at Little Sisters of the Poor on December 7th, at Tannenbaum Nacht and at Winterthur on December 15th in the afternoon.

Rehearsals start again on the first Wed. in January of next year which will be a good time to join the chorus since we have an interesting program and challenging music planned for the Spring Concert Season.

The Ladies

I hope everyone had a wonderful Christmas and a Happy New Year. I would like to say thank you to everyone who has helped the Ladies during 2012. We appreciate the help that you give us to make our events a success. The Ladies are busy in the kitchen this time of year.

We have quite a few caterings in the upcoming months. We are always looking for donations of coffee and sugar.

We had our election of officers at the November meeting. The Recording secretary and Vice President positions were up for election. Our new Vice President is Marti Kane and our new recording secretary is Fritz Godfrey.

Our next meeting is scheduled for Monday January 28, 2013 and February 25, 2013 in the VSR at 7:30. New members are always welcome.

Judy Ariganello, President of the Ladies of the DSB

GERMANIC GENEALOGY GROUP (GGG)

All members of the DSB are always invited and welcome to attend.

Meeting date changed! We will meet in the von Steuben Room on Monday, January 14, 2013, 7:30 pm. This will allow us to meet at a time when the Ladies can join us.

We continue our series of Members giving first hand accounts of their early years in a German community in Europe. We will have two speakers at this meeting. **Erwin Mezger** is from East Germany. He lived a number of years in East Berlin. His wife **Katie Mezger** was born in Yugoslavia. Come and here their compelling stories.

If you would be willing to share your story, contact Lloyd Maier (239-6552). We cherish the rich traditions of our members.

The February meeting will be held in the Deutsche Halle on Monday 7:30, February 25. We will continue the series that will introduce members to the various regions, Bundeslands of Germany. This year we visit Baden-Württemberg in southwestern Germany. Our guest speaker will be **Meike Lehmayer**, a German exchange student at the University of Delaware. She is from Mannheim in the northeast corner of Baden- Württemberg. I am hopeful of having another student from the **Schwäbisch** area near Stuttgart to add to the Baden-Württemberg information. B-W is a very large area.

Come, enjoy and support our young guests.

Excerpt of a letter from the **German-American Heritage Foundation of the USA** in a response to a DSB donation.

Dear Ms. Grieb

On behalf of the Board of Directors of the German-American Heritage Foundation of the USA. I thank the Delaware Sangerbund & Library Association for your very generous donation of one thousand dollars.... On October 8th 2012. Your Verein's Circle donation is very much appreciated and will be most helpful in covering a portion of our operating costs.

On October 5, 2012 on the eve of German-American Day we hosted a reception and presentation at our museum for the 25th Anniversary of the event. Hans-Ulrich Klose a member of the German bundestag and Chairman of the German-American Parliamentary Group gave the keynote address. We were also honored that brief presentations were also made by German Ambassador Ammon and former US Ambassadors to Germany, Bob Kimmitt and Tim Timken. On Saturday around 50 of us met at the German-American Friendship Garden to read the various Proclamations for the day.

We also opened our Trachten Exhibit on October 5th which is expected to run through February 2013. We are reporting about this in the next issue of the Ambassador Newsletter. We invite you and member of your organization to visit this exhibit. It was provided to us by Mrs.Karin Gottier from Connecticut who is a collector of German Costumes from the mountains to the sea. Once again, we thank you and your members for your generous support.

Sincerely,

Bern E. Deichmann

President

Property Committee

The next property committee meeting will take place Monday January 7th at 7:30 pm in the library.

We thought our members would be interested in knowing what a typical Property Committee meeting entails:

1. Recently Completed items

- f. Completed trim around doors and baseboard in main entrance hallway
- g. Light bulbs changed and new light installed outside Bauernstube
- h. Striping in parking lot redone – we were not happy with quality of original striping
- i. Stored picnic tables in pavilion in preparation of Winter
- j. Property clean-up, grass cutting, general grounds maintenance and garage cleanout
- k. Winterized building to keep waterlines from freezing
- l. Many other small maintenance projects throughout the facility

2. Working on the following:

- a. Install weather stripping around all outside doors
- b. Trim or remove dead branches from trees in the front yard

- d. Paint coat room and touchup walls
- e. Repaint inside of entrance hall doors
- f. Replace door closers on entrance hallway doors

3. Future considerations:

- b. Investigating cost and feasibility to install free standing walk-in cooler/freezer
- c. Provide gravel road to access toilets and tents during Oktoberfest
- d. Solve problem of overloading electric supply in pavilion due to distributors using more and more power for lights, coolers etc.

As you can see there is a lot going on – unnoticed and taken for granted to keep our facilities in good repair and our membership safe.

We are always looking for people who are willing to help in any way. If you are willing to put in some time, even if you are unskilled – we have work you can do! If you have skills that would keep some of the required repairs in house, it is a tremendous benefit to all.

This is your club – please help where you can!
