A MESSAGE FROM YOUR PRESIDENT

Liebe Mitglieder - Dear Members,

One can be forgiven if one were to believe on coming to the club with the grounds beautiful and in bloom, delicious food and drink available and magnificent entertainments presented, that enchanted elves come in after midnight and do their magic. The reality is that the elves are the many very dedicated and talented volunteers who give generously of their time to the club. I encourage more of our members to become elves. No matter what your interests there is certainly an activity or committee that can use your talents.

To paraphrase the poet Milton, they also serve who support club events with their presence. Considerable effort goes into preparing events of quality and value and it is disappointing when attendance is below capacity.

If you have not discovered the Friday food nights in the Bauernstube, I would encourage your patronage. The leberkase dinner last week was outstanding.

Mit freundlichen Grüßen,

Carl Renner

From The Bauernstube

GERMANIC GENEALOGY GROUP (GGG)

All members of the DSB are always invited and welcome to attend.

May 16th Monday 7:30 pm in the von Steuben Room. Our own **James Ethridge** will present **In der Nähe von Oldenburg**, (*Le Vieux-Bourg*) (*Ollnborg*; *Saterland Frisian*) Lower Saxony (*Niedersachsen*). "In the Neighborhood of Oldenburg". Germany is the ancestral home of Jim's maternal grandparents. The area was first documented in 1108. It was part of Denmark until 1773. In 2014 there were about 160,000 inhabitants (7,000 non German). In 1800 there were 78 Lutheran parishes and 29 catholic parishes. Somewhere between 1108 and 2016 this area has been English, Dutch, Danish, French and German. Jim will take us on an adventure on how he has discovered ¼ of this German blood line.
