A MESSAGE FROM YOUR PRESIDENT

Liebe Mitglieder - Dear Members,

As I must compose this message prior to the events I shall use faith and prescience to thank all those who worked so hard to make the EVTG's 50th Anniversary and the Oktoberfest outstanding successes. I have always been proud to be a member of an organization with so many skilled and dedicated members. I hope our membership will also support the Ladies' Group's 50th Anniversary Celebration on October 20th.

We have a major investment in a beautiful facility that supports many activities. Rather the promulgation of regulations that cover all activities and conduct I call upon our members to use common sense and courtesy while at the Club. Please treat our facilities as if these were the best room in your home. Please supervise your children if there are of a maturity where this is necessary. People who work at the club - bartenders, kitchen workers, board members and property committee and others working at the club have first call for the parking spaces near the rear entrance of the club. There may be times when these spots are generally available, but when in doubt please park in the front lot.

Mit freundlichen Grüßen, Carl Renner

Germans in the American Revolution

*****Sunday, October 21, 2018*****

A celebration of the inauguration of the memorial plaque for the German Royal French Infantry Regiment of Zweibrücken

Considered a decisive turning point in the U.S. winning the War of Independence, come and learn about a German Infantry Regiment led by a French General who helped defeat the British at Yorktown, Virginia. The event will be held first at Pencader Heritage Museum at 209 Sunset Lake Road in Newark, Delaware. If you have never visited this gem of a museum, this is your chance to visit it free of charge and open especially for this event. **The museum will open at noon and the commemoration begins at 1:00 p.m.** Several speakers will give short talks including Judge Richard Cooch whose family name is well known for its historical significance to Cooch's Bridge and its importance in the War of Independence, and Katja Sipple who is Executive Director of the German American Heritage Museum in Washington, DC. It opened in March 2010 in a building once known as Hockemeyer Hall. Located on 6th Street NW in the heart of the old European-American section of Washington, it's a wonderful destination to learn about the contributions made by German Americans in America. This celebration will last approximately one hour and then it will continue at the Deutsche Halle at the Delaware Saengerbund where we will hear from Dr. Robert A. Selig, a noted historian who has won several awards and published over 100 articles in various historical journals and magazines, as well as taught at several colleges and universities. He will speak about the Germans on all sides including the German Americans who had already settled in the colonies in the late 1600s and 1700s. After a brief question and answer period, a reception will be held where refreshments will be served. The entire event is free to the public and is partially funded by a grant from the Delaware Humanities, a state program of the National Endowment for the Humanities. We urge all Delaware Saengerbund members to consider going to this event to learn more about our heritage.
