Monday April 8, 2019

A MESSAGE FROM YOUR PRESIDENT

Liebe Mitglieder - Dear Members,

As we finally look toward warmer days, we need to look at the care this wonderful property requires, inside and out. Many of us are retired and are able to give a few hours to the many small tasks that need to be done. Your Property Committee and Garden Committee await your call.

The 166th Stiftungfest was held last Saturday to a sparse crowd. We have over 950 members and the program was free. We can do better in supporting our Singers, Dancers and the Delaware Saengerbund.

Mit Freundlichen Gruessen,

Don Sturfels

Konversationsabend is held every 2nd Friday of each month, except the summer months, and it is a wonderful way to interface with members who are either fluent in German or who want to fully immerse themselves into the language even if they may be a bit "rusty." All members are welcome. This discussion group is always held in the Library at 7:30 p.m. Many topics are covered including current events which relate to Germany and other German-speaking countries.

Get Your Star on the Map

At the April and May general meeting before 8 PM we will have the maps in the lobby open so our newer members can get their stars on the appropriate map.

Explanation: If you were born in Europe, place your star where you were born.
OR

where your parents, or grandparents came from OR

where your German ancestors came from.

Each member can place 2 stars.

You need the place where an ancestor lived and the name of the ancestor
We will place a star at the appropriate city or village ,We will record in a set of books, the village, the ancestor's name and the member's name.
They are cross referenced so that you could look up a place, and see what other member has roots back to that place, So do your research before the meetings.
